

- NOODLERS UNITE -

WE VOW TO EMBRACE:

EXPERIMENTATION

(find what excites you, search for what-ifs)
question the traditional
hold no convention as sacred
always consider inverse possibilities
seek fundamental characteristics of mediums

LIMITATION

(stretch perceived boundaries, learn capabilities)
create specific parameters
work towards defined processes
show that repetition legitimizes
pursue understanding of potentials

IMPERFECTION

(embrace change, favor motion)
discover quirks of every tool
contextualize error as intention
search for new qualities of texture
embrace acceptance as part of the process

THE INTERDISCIPLINARY

(explore combinations, allow for flexibility)
use tools as needed for execution
combine mediums based on curiosity
seek understanding interactions
substitute parts and pieces for inspiration

CREDIT

(celebrate others, recognize merits)
reference original sources
build upon each others' ideas
create community through our work
collaborate across disciplines

EXPERIMENTATION

(find what excites you, search for the what-ifs)

LIMITATION

*(reduce decision fatigue, stretch perceived boundaries, learn what
devices and ourselves are capable of)*

IMPERFECTION

*(embrace change as inevitable, favor motion over fixed, return to noise,
distill palettes of sound from fuzz)*

THE INTERDISCIPLINARY

*(explore combining tools + processes, allow for flexibility when seeking
process)*
